We operate a car shuttle at the start of the day where drivers leave their cars at the finish point for that day at 9:00am and are taken to the start of the walk for 9:30 (see above). In other words, for May 27th you leave your car at TRELAWNYD and are taken to the start at BASINGWERK so that you can walk back to your car. These lifts must be pre-booked/arranged by contacting Chris Potter on 07780902908. As spaces may be limited drivers will be considered first.
