

Suggested Itinerary

Introduction

At the moment there aren't any companies that provide luggage transfer. The companies that offer this service for self guided long distance walks tend to use taxis. These actually cost £15 to £25 is of course included in the package cost.

Currently and largely due to Covid Pandemic there is very little accommodation in certain parts of the first half of the route. Suggestions as to how to find accommodation can be found [here](#)

This is part of the comprehensive Planning a Walk menu on the website

Possible Itinerary

Arrive in Holywell on Monday. Tuesday Wednesday or Thursday]and start the walk the following day.
