14	Fri	26th May	Aberdaron	TBD	Ynys Enlli					

**\*\*We operate a car shuttle at the start of the day where drivers leave their cars at the finish point for that day at 9:00am and are taken to the start of the walk for 9:30 (see above). In other words, for May 13th you would leave your car at TRELAWNYD in the morning and are taken to the start at BASINGWERK so that you can walk back to your car. These lifts must be pre-booked/arranged by contacting Mike Costello on 07788213958. At the end of the first day we will inform everyone what will happen on the following day, whether it will be a car share or the use of public transport. You are of course welcome to make your own arrangements.**
